ABOUT US

Our company has existed since 1998. First as a craft shop, "WOOD-Stil" and since 2011 has grown into "Pino Art" Ltd., a company that over the past 22 years has gradually positioned itself in the Serbian market and expanded its business to the entire Balkan region and beyond across Europe.

In a short-period time, we managed to grow into a company with a recognizable name and product range.

Since the beginning we have been continuously and gradually grown together with our professional and creative staff. With modern technology, we offer simple solutions, elegant design and user friendly products. With our experience and knowledge, we are setting innovative trends in the bathroom furniture production market, which makes us one of the leaders in the field.

Thanks to the great engagement of our management and all employees, we managed to place products on the Western Europe market where we today export 40-50% of the entire production.

In the coming period, we plan to enrich the offer with new product lines, improve existing production and conquer new markets.
